## CANAAF National Awareness Event

Friday July 19<sup>th</sup> to Sunday July 21<sup>st</sup>, 2019

Great Wolf Lodge Niagara, Niagara Falls, Ontario

### What CANAAF Does:

CANAAF is a Canadian registered charity that provides support to those affected by Alopecia Areata, promotes awareness and education of this auto-immune disease, and raises funds for research. Alopecia Areata is an autoimmune disease that results in the loss of hair on the scalp and elsewhere on the body. Alopecia Areata occurs in males and females of all ages and races. This disorder is life altering and its sudden onset, recurrent episodes and unpredictable course have a profound psychological impact on the lives of those touched by this disease. With your help, we can support those affected by alopecia and raise awareness and education about this disease.

### Interested in becoming an Official Sponsor or Donor?

We are looking for sponsors and donors to provide samples, trials, small items for our swag bags, coupons or discounts on items that people affected with alopecia areata will use to enhance their appearance, emotional well being and ultimately quality of life. Our *Come Together* event attracts patients and families from across Canada. We are anticipating an attendance of over 100 guests.
